

## Poppy & Ned

We love [Poppy & Ned](#), a newly launched collection of quality, classic wear for children ages 0-4. The clothes are all 100% lambswool and absolutely gorgeous! And yet still affordable. I'm partial to their cardigans (below), this beret, and well, pretty much [the whole line](#).

Perfect for Christmas or baby gifts. We discovered them at the Baby Show last month and we're still thinking about them...
